Lionverge
 After helping Lionverge produce a corporate brochure and develop a brand identity. Win Marketing were asked to become their strategic marketing partner. For over 4 years, Win Marketing handled all aspects of marketing and PR as the company grew from 1 depot and 20 staff to over 10 depots and several hundred staff.
 Support covered annual marketing plans and budgets (including segmentation analysis for the various services within the industry), PR including articles and editorial, advertising, corporate hospitality, newsletters, event management and web marketing. Below is a selection of the work we delivered.
